

Fairway's monthly landscape report for May 2017

May's finished service's

Trimming of shrubs and pygmy palms

Fertilizer of turf

Insecticide for turf and shrubs

Grub treatment

Spraying of weeds in shrub beds during trimming

I had a crew in there on Saturday 6/3/17 spraying weeds but it started raining as soon as they finished spraying, so we will probably need to come back again in a couple weeks and spray some more.
