  - (a) "Bingo game" means and refers to the activity, commonly known as "bingo," in which participants pay a sum of money for the use of one or more bingo cards. When the game commences, numbers are drawn by chance, one by one, and announced. The players cover or mark those numbers on the bingo cards which they have purchased until a player receives a given order of numbers in sequence that has been preannounced for that particular game. This player calls out "bingo" and is declared the winner of a predetermined prize. More than one game may be played upon a bingo card, and numbers called for one game may be used for a succeeding game or games.
  - (b) "Bingo card" means and refers to the flat piece of paper or thin pasteboard employed by players engaged in the game of bingo. The bingo card shall have not fewer than 24 playing numbers printed on it. These playing numbers shall range from 1 through 75, inclusive. More than one set of bingo numbers may be printed on any single piece of paper.

In no case may the net proceeds from the conduct of such games be used for any other purpose whatsoever. The proceeds derived from the conduct of bingo games shall not be considered solicitation of public donations.
  - (b) It is the express intent of the Legislature that no charitable, nonprofit, or veterans' organization serve as a sponsor of a bingo game conducted by another, but such organization may only be directly involved in the conduct of such a game as provided in this act.
