

SOUND & LIGHT AD HOC COMMITTEE

CHARTER

HERONS GLEN RECREATION DISTRICT

The Sound & Light Committee is subject to the General Policies which apply to all of Herons Glen Recreation District's committees.

The Sound & Light Committee's responsibility is limited to providing Sound and/or Light service in the following priority order:

1. Meetings of the HOA or HGRD Boards
2. Activities sponsored by the HGRD
3. Activities sponsored by the HOA
4. Any other special function as requested by HGRD management
5. Resident groups presenting a program in the Recreation District facilities that have received prior management approval to use sound and/or light.

This committee is required to hold one meeting annually in March for the purpose of creating a budget request for the following fiscal year. This budget request should be turned in to the General Manager prior to the end of April.

This committee should also designate a chair who can determine volunteer availability. This chair has the option to refuse service and notify management of the refusal if there are no committee members to work a function.

The head of Clubhouse Maintenance is the liaison for this committee.
