

Communications Committee Report
After the Meeting of December 17, 2025

Committee Members Sandra Flanagan, Mike Stropes, and Linda Lynch were in attendance, along with Board Liaison Chris Kozak. Committee member Patty Cummings was absent with an excused absence.

The November 2025 minutes were reviewed and approved as written.

Linda Lynch updated the Committee on Greg Yopp and summarized his role and affiliation with The Heron News Magazine as a respected and quality photographer.

Linda Lynch requested committee members to review the annual article about HGHOA and HGRD, focusing on their differences and responsibilities. Feedback is requested by early January, no later than January 10th. The article will also be sent to Karon Bennet and Joyce Gillespie and is scheduled for publication in the February edition of the News Magazine.

Chris mentioned whether the News Magazine is getting to any of the Herons Glen's rental community. Linda will follow up with Joyce Gillespie.

The Committee will extend an invitation to Steve Simpson, Chair of the Welcome Sub-Committee and seek any information that would be beneficial for the Communications Committee to know as well as how we might be of further assistance to the Welcome Sub-Committee.

A discussion on the Communication Committee's presence at the upcoming Activities fair concluded that it was not necessary for the Committee to be represented at this event. The primary reason is the Committee's purpose isn't considered a resident activity.

Chris will see that Lori sends the HOA green book and Compliance packet to Linda Lynch at her home.

The next meeting will be held on Wednesday, January 21, 2026, at 1:00 PM in the HOA Conference room.

Respectfully submitted by Mike Stropes & Linda Lynch, Co-Chairs.
