

Solana - Agreement on Ridgelines – (To be submitted by applicant)

NOTE: If your Villa has both front and rear ridgelines a separate form (one for front – one for back) must be completed. The form is for the **Front** or **Back** ridgeline(s) (circle one).

Let this document serve that I/we (adjoining neighbor) _____

at address _____

agree with our neighbor (applicant) _____

at address _____

that the ridgeline(s) between our respective Villas are in an acceptable location and will remain in place when our neighbor (the applicant) has their roof replaced. It will be the responsibility of the applicant to ensure the contractor complies with this agreement.

Description of plan for ridgelines (be specific – attach diagram if necessary)

Applicant Signature(s) _____

_____ Date _____

Adjoining Neighbor Signature(s) _____

_____ Date _____

Note: The default position of the Solana DRB is that if the adjoining neighbors cannot agree on specific ridgelines remaining in place, the ridgeline(s) will be removed (if possible).

DRB Signature of understanding _____ **Date** _____
